
37.5CL AMARONE CLASSICO DELLA VALPOLICELLA DOCG

Red Wine

Case Size: 12 £385.08

Complex, elegant and velvety wine with great structure, the Amarone della Valpolicella Classico opens to a tarry-black colour and dense extraction. The bouquet reveals dark prune, spice, leather and tobacco. The wine shows some bitterness in the mouth with a thick and penetrating finish that sticks to the sides of your mouth. As you would expect, the finish is long and important in terms of its texture.
