
LANGHE FAVORITA DOC 'SERVAJ'

White Wine

Case Size: 6 £121.68

The name *Servaj* means *wild*, reflecting the character of Italy's vine-and-forest covered Roero hills where this delicious favorita (the local name for the vermentino grape) is grown. Lemon green in colour, with an intense bouquet of orange and fresh citrus peel. Perfumed, fresh and dry, with an appetising salty character. The wine has good balance between fruit and acidity and has a very refreshing finish.
