# RIOJA DOC JOVEN TINTO 'CUEVA DE LOBOS'

Red Wine

Case Size: 12 £173.28

Cherry-red colour with purple tones due to the wine-making process. A very bright and glossy wine. On the nose, it is a clean wine where fruit and floral aromas stand out. The carbonic maceration and the variety's own aroma are also present, giving the wine personality. On the palate, it is a balanced, structured and strong wine. It has a long and balanced finish, full of primary aromas where liquorice notes also appear.
